

## We're looking for new voices to join Strathnairn Development Company!

We're on the lookout for new, energised trustees for our board,  
bringing with them new skills and ideas.  

We meet once a month, and our mission is to invest in the  
community to empower all generations while respecting our  
heritage. We do that by seeking community values, creating  
action plans and seeking necessary resources to invest in the  
future and provide long term, sustainable benefits for the  
community.  

Could you be one of our new trustees? Please express your  
interest by writing up to 250 words about you and send to  
isla@strathnairndevelopment.scot. **Applications close on the  
19th of August 2025.** 

We're excited to hear from you!
